Re: Daggett Chapter of the Sons of the Republic of Texas

Dear Zane:

Since we do not have an e-mail address for you to send communications about our Daggett Chapter of the SRT, it seemed good to reach out, contacting you by letter.

You should be reminded that our stated meeting frequency is on the first Saturday of each of the even numbered months of the year (February, April, June, August, October & December) at 8:30 AM at the Woodhaven Country Club, 913 Country Club Lane, Fort Worth, TX 76112 (817-457-5150). Meetings generally dismiss by 10:30 AM.

Our Daggett Chapter is fortunate in the array of fine speakers scheduled to present program of significance. You would do well to avail yourself of them. For example, on Saturday, October 7, 2017 our speaker is Admiral Jack Dyess, former Mayor of Haltom City, a Life Member of the Admiral Chester W. Nimitz Squadron of the Texas Navy Association, and a founding member of the James Brown Squadron. He's retired U.S. Navy and has extensive participation in community groups focused on history and genealogy. He'll have a message about the Texas Navy that existed during the battle for independence resulting in creating the Republic of Texas.

On December 2, 2017, we'll have a program on how you can design a legacy about your life's experiences and your genealogical record for the benefit of your children, grandchildren, friends and relatives with historical and genealogical interests. The legacy of the presenter will show his family's relationships to 20 of our 45 U.S. Presidents and 63 of 72 British Monarchs over the past 1,400 years. It also includes family connections with the Rockefeller family, the Kellogg family (those cereal folks), J. P. Morgan and the founders of the Chase National Bank System.

Don't miss these outstanding opportunities for you to broaden your horizons about family, history and genealogy. The meeting charge is \$12 per meeting (cash or check). That is a charge for meeting space, and included buffet breakfast, but does not change if one does not eat.

If there is an e-mail address you would want used to maintain SRT communications with you, please let me know. We look forward to your attendance in the future.

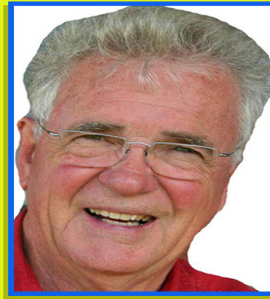

Thank you for your patience..

Re: Daggett Chapter of the Sons of the Republic of Texas

Dear John:

Since we do not have an e-mail address for you to send communications about our Daggett Chapter of the SRT, it seemed good to reach out, contacting you by letter.

You should be reminded that our stated meeting frequency is on the first Saturday of each of the even numbered months of the year (February, April, June, August, October & December) at 8:30 AM at the Woodhaven Country Club, 913 Country Club Lane, Fort Worth, TX 76112 (817-457-5150). Meetings generally dismiss by 10:30 AM.

Our Daggett Chapter is fortunate in the array of fine speakers scheduled to present program of significance. You would do well to avail yourself of them. For example, on Saturday, October 7, 2017 our speaker is Admiral Jack Dyess, former Mayor of Haltom City, a Life Member of the Admiral Chester W. Nimitz Squadron of the Texas Navy Association, and a founding member of the James Brown Squadron. He's retired U.S. Navy and has extensive participation in community groups focused on history and genealogy. He'll have a message about the Texas Navy that existed during the battle for independence resulting in creating the Republic of Texas.

On December 2, 2017, we'll have a program on how you can design a legacy about your life's experiences and your genealogical record for the benefit of your children, grandchildren, friends and relatives with historical and genealogical interests. The legacy of the presenter will show his family's relationships to 20 of our 45 U.S. Presidents and 63 of 72 British Monarchs over the past 1,400 years. It also includes family connections with the Rockefeller family, the Kellogg family (those cereal folks), J. P. Morgan and the founders of the Chase National Bank System.

Our Daggett Chapter is fortunate in the array of fine speakers scheduled to present program of significance. You would do well to avail yourself of them. For example, on Saturday, October 7, 2017 our speaker is Admiral Jack Dyess, former Mayor of Haltom City, a Life Member of the Admiral Chester W. Nimitz Squadron of the Texas Navy Association, and a founding member of the James Brown Squadron. He's retired U.S. Navy and has extensive participation in community groups focused on history and genealogy. He'll have a message about the Texas Navy that existed during the battle for independence resulting in creating the Republic of Texas.

On December 2, 2017, we'll have a program on how you can design a legacy about your life's experiences and your genealogical record for the benefit of your children, grandchildren, friends and relatives with historical and genealogical interests. The legacy of the presenter will show his family's relationships to 20 of our 45 U.S. Presidents and 63 of 72 British Monarchs over the past 1,400 years. It also includes family connections with the Rockefeller family, the Kellogg family (those cereal folks), J. P. Morgan and the founders of the Chase National Bank System.

Don't miss these outstanding opportunities for you to broaden your horizons about family, history and genealogy. The meeting charge is \$12 per meeting (cash or check). That is a charge for meeting space, and included buffet breakfast, but does not change if one does not eat.

If there is an e-mail address you would want used to maintain SRT communications with you, please let me know. We look forward to your attendance in the future.

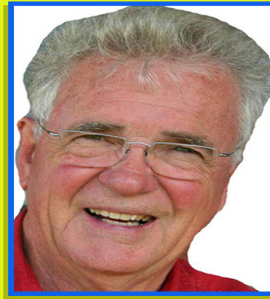

Thank you for your patience..

Re: Daggett Chapter of the Sons of the Republic of Texas

Dear Michael:

Since we do not have an e-mail address for you to send communications about our Daggett Chapter of the SRT, it seemed good to reach out, contacting you by letter.

You should be reminded that our stated meeting frequency is on the first Saturday of each of the even numbered months of the year (February, April, June, August, October & December) at 8:30 AM at the Woodhaven Country Club, 913 Country Club Lane, Fort Worth, TX 76112 (817-457-5150). Meetings generally dismiss by 10:30 AM.

Our Daggett Chapter is fortunate in the array of fine speakers scheduled to present program of significance. You would do well to avail yourself of them. For example, on Saturday, October 7, 2017 our speaker is Admiral Jack Dyess, former Mayor of Haltom City, a Life Member of the Admiral Chester W. Nimitz Squadron of the Texas Navy Association, and a founding member of the James Brown Squadron. He's retired U.S. Navy and has extensive participation in community groups focused on history and genealogy. He'll have a message about the Texas Navy that existed during the battle for independence resulting in creating the Republic of Texas.

On December 2, 2017, we'll have a program on how you can design a legacy about your life's experiences and your genealogical record for the benefit of your children, grandchildren, friends and relatives with historical and genealogical interests. The legacy of the presenter will show his family's relationships to 20 of our 45 U.S. Presidents and 63 of 72 British Monarchs over the past 1,400 years. It also includes family connections with the Rockefeller family, the Kellogg family (those cereal folks), J. P. Morgan and the founders of the Chase National Bank System.

Don't miss these outstanding opportunities for you to broaden your horizons about family, history and genealogy. The meeting charge is \$12 per meeting (cash or check). That is a charge for meeting space, and included buffet breakfast, but does not change if one does not eat.

If there is an e-mail address you would want used to maintain SRT communications with you, please let me know. We look forward to your attendance in the future.

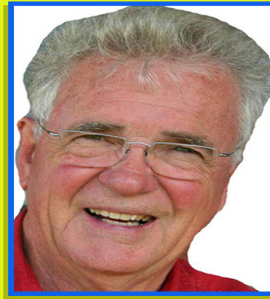

Thank you for your patience..

Re: Daggett Chapter of the Sons of the Republic of Texas

Dear Mark:

Since we do not have an e-mail address for you to send communications about our Daggett Chapter of the SRT, it seemed good to reach out, contacting you by letter.

You should be reminded that our stated meeting frequency is on the first Saturday of each of the even numbered months of the year (February, April, June, August, October & December) at 8:30 AM at the Woodhaven Country Club, 913 Country Club Lane, Fort Worth, TX 76112 (817-457-5150). Meetings generally dismiss by 10:30 AM.

Our Daggett Chapter is fortunate in the array of fine speakers scheduled to present program of significance. You would do well to avail yourself of them. For example, on Saturday, October 7, 2017 our speaker is Admiral Jack Dyess, former Mayor of Haltom City, a Life Member of the Admiral Chester W. Nimitz Squadron of the Texas Navy Association, and a founding member of the James Brown Squadron. He's retired U.S. Navy and has extensive participation in community groups focused on history and genealogy. He'll have a message about the Texas Navy that existed during the battle for independence resulting in creating the Republic of Texas.

On December 2, 2017, we'll have a program on how you can design a legacy about your life's experiences and your genealogical record for the benefit of your children, grandchildren, friends and relatives with historical and genealogical interests. The legacy of the presenter will show his family's relationships to 20 of our 45 U.S. Presidents and 63 of 72 British Monarchs over the past 1,400 years. It also includes family connections with the Rockefeller family, the Kellogg family (those cereal folks), J. P. Morgan and the founders of the Chase National Bank System.

Don't miss these outstanding opportunities for you to broaden your horizons about family, history and genealogy. The meeting charge is \$12 per meeting (cash or check). That is a charge for meeting space, and included buffet breakfast, but does not change if one does not eat.

If there is an e-mail address you would want used to maintain SRT communications with you, please let me know. We look forward to your attendance in the future.

Thank you for your patience..

D. A.
