Location of the Property from Fort Worth:

The Ranch is about 25 miles from central north Fort Worth. It is in the southeast corner of Wise County. That is the first county to the north of Tarrant County (Ft. Worth) and the first county to the west of Denton County.

Drive north from Fort Worth on I-35W, taking the US Hwy 287 cutoff just north of I-820. It says it's an exit to Wichita Falls.   US Hwy 287 is the highway to Decatur, the Wise County seat. If you're coming from northwest Fort Worth, you may just want to go north out Business US 287.

Exit US Hwy 287 at the Bridgeport Exit (This is at Rhome, Texas, where Texas Hwy 114 is intersecting US Hwy 287).

From the service road, turn left, over US 287 for the continuation of Texas Hwy 114 going west.

Driving west, to the city limit sign, leaving Rhome, then shortly you will see the Aurora City limit sign.

Then continue to the Aurora Baptist Church sign on the right. That sign will be 1.6 miles from US 287, going west on 114.

Turn right, at Aurora Baptist Church sign, which is Derting Road, going north. It winds around and turns east, when it becomes Derting Road East. The whole road is a mile long

From Highway 114, our driveway is 6/10's of a mile.

Stop at 805 East Derting Road on the left side. The address and D.A. Sharpe are on a large black mail box at the driveway entrance

Turn left into the driveway (north), and our house is the brick one on the right (as opposed to the more distant one on the left.)

Home, sweet home

Turn left (north) into drive way. House is the blue topped one on the right (as opposed to the more distant one on the left).
